PROFILE SUMMARY

Computer Science undergraduate with hands-on experience in frontend development, SQL, and cloud fundamentals. Completed NPTEL certification in Cloud IoT and Edge ML, with practical exposure to building responsive web applications and data-driven interfaces. Actively seeking an entry-level trainee role in cloud infrastructure, data, or enterprise application development where I can learn, contribute, and scale within a global IT environment.

EDUCATION

Chandigarh University : B.E in Computer Science and Engineering	Aug 2022 – June 2026
School of Creative Learning : Class 12th	Apr 2020 – March 2021
Mount Zion School : Class 10th	Apr 2019 – March 2020

ACHIEVEMENTS/CERTIFICATIONS

Qualified for Quarter Finals for PMIT 2019
